

Certificate

The Certification Body of
TÜV Rheinland LGA Products GmbH

hereby certifies that the organization

Richard Bittner AG
Reisnerstr. 55-57
1030 Wien
Österreich

has established and applies a quality management system for medical devices
for the following scope:

**Design and development, manufacture and distribution
of liquid, semi-solid and solid medical devices for
oral and nasal application
(see attachment for additional sites included)**

Proof has been furnished that the requirements specified in

EN ISO 13485:2016

are fulfilled. The quality management system is subject to yearly surveillance.

Effective Date: 2018-07-19
Certificate Registration No.: SX 60127760 0001
An audit was performed. Report No.: 21260084 003
This Certificate is valid until: 2021-07-02
